DECEMBER
14-17, 2023

Ekana Sports
Complex,
Lucknow

TFN / PFN
Nailing System

The illustration shows two femurs (thigh bones) with different nailing systems. The left femur has a single nail with a locking mechanism at the top. The right femur has a nail with multiple locking mechanisms along its length, including one at the top and two near the bottom.

The city of Nawabs, Lucknow, has the privilege to organize the 68th edition of the leading orthopedic conference [IOACON Orthopedic 2023](#). The conference will take place at the Ekana Sports Complex, Lucknow, from 14-17th December 2023. It is one of the biggest annual orthopedic events in India. IOACON 2023 also invites experts from the American Academy of Orthopaedic Surgeons (AAOS).

This mega event will feature a huge gathering of global leaders who will be sharing their expertise and interacting with the participants via conferences. The aim of the IOACON is to interact with experts, share & enhance knowledge, and explore the latest technologies in the industry.

IOACON 2023 will also encourage participants to submit abstracts of their work so that a great scientific program can be presented. Attending the event will be an excellent opportunity for both the visitors as well as exhibitors. Not only do you get huge exposure but also get a chance to learn from the industry experts.

The organizing committee of IOACON has some of the leaders in the industry and they aim to make this event a huge one. Similarly, you'll find some great personalities in the scientific committee of the conference that will make their best efforts to make your experience memorable. Above all, IOACON Orthopedic Conference in Lucknow will also cordially invite international delegates from the UK, Germany, USA, Thailand, Malaysia, Italy, Singapore, Korea, and more.

Above all, the conference will also dedicate symposia for young surgeons in various specialties. IOACON will provide an excellent platform for them to showcase their skills and leadership qualities. The aim of this dedicated symposium is to acknowledge and encourage their contribution.
